PARTICIPANTS WILL LEARN:

- How to know when you have the right people in the right seats
- How assessments can improve your organization's productivity
- How assessments can bolster your hiring process
- How you can improve your hiring success rate
- How to leverage insights about learning style and speed
- The benefits of assessing your current employees, not just your prospective one
- Why the Achiever Assessment stands out from other assessment tools
- How to maximize the value and ROI of every Achiever Assessment you use

** The Achiever™ Assessment is a behavioral assessment covering 12 areas of competency, six cognitive learning skills and 10 personality dimensions. Each assessment provides you with a detailed narrative of your candidate's strengths, weaknesses and compatibility with the job. You also receive points of comparison against a benchmark and behavioral interview questions to probe areas of concern.*
